Dear Simon

I would like to thank you for the company's services regarding the advice and professionalism in the policies you have offered. You have not just matched like for like policies but have given advise on the existing policies where you have asked the right questions before you have given a quotation and given extra cover where you feel it necessary . You have found more than once the sum insured is wrong or items that should be covered are not.

To summarise your experience in insurance services gives me no hesitation to recommend you to friends and colleagues who require a service second to none in any type of insurance.

Yours sincerely

D Hoey.

A large, handwritten signature in black ink, appearing to be 'D Hoey', is written over the typed name. The signature is highly stylized and somewhat illegible due to its cursive nature.
