Dear Simon,

I wanted to take the opportunity to thank you for the particularly quick and efficient service you provided me with reference my buildings and contents insurance.

Almost every year I leave it too late to review options for renewal of my insurances as I really don't look forward to spending hours on-line comparing the thousands of possibilities available, fending off hundreds of unwanted emails from potential insurers and then cancelling and altering payment details as necessary.

This year it was really easy. I handed you my renewal information and 3 days later you provided me with more comprehensive policy information and better cover than I had had previously.

A really effective service

I will have no hesitation in continuing to recommend your services to my clients and friends.

Sincerely

Anna Murzell
